

1804 Renaissance: Media Kit 2026

Changing the Narrative—One Conversation at a Time.

1. WHO WE ARE

1804 Renaissance is a premier talk show and media platform dedicated to celebrating Haiti's rich history, culture, and future potential. We bridge the gap between the diaspora and the homeland by producing professional, high-impact conversations with the visionaries, historians, and artists shaping Haiti's modern narrative.

2. OUR VISION & MISSION

OUR VISION

"To redefine Haiti's global narrative and inspire a renaissance of pride, innovation, and unity."

OUR MISSION

"To provide a professional platform for Haitian voices through engaging conversations, educational content, and community-driven storytelling that celebrates our rich heritage and spotlights our future potential."

3. OUR AUDIENCE & REACH

We connect with a highly engaged global audience of Haitian professionals, students, and community leaders.

- Geographic Reach: USA, Canada, France, UK, and Haiti.
 - Target Demographics: Diaspora members (ages 25-55), educators, entrepreneurs, and Caribbean history enthusiasts.
 - Platforms:
 - YouTube: High-definition weekly broadcasts (via 1804 Renaissance Youtube Channel).
 - Social Communities: Facebook, Instagram, TikTok, LinkedIn, and WhatsApp.
 - The Blog: Deep-dive historical and cultural analysis.
